

Call for Applications open now

2-year Postdoctoral and 5-year Research Fellowships

Application Deadline: 15th October 2021

The Zukunftskolleg of the University of Konstanz offers

- **three 5-year Research Fellowships** (any discipline represented at the University of Konstanz) to develop and implement individual research projects and build up their own research group. Fellowships will begin on 1st May 2022 and end on 30th April 2027.
- **three 2-year Postdoctoral Fellowships** (any discipline represented at the University of Konstanz) to develop and implement individual research projects. Conditionally on the submission of an external grant, the position can be extended for an additional year. Fellowships will begin on 1st April 2022.
